

MachDB - Feature # 30: Support for Xen VM hosts

Status:	Assigned	Priority:	Normal
Author:	nathan	Category:	backend
Created:	04/18/2009	Assigned to:	volcane
Updated:	04/18/2009	Due date:	
Subject:	Support for Xen VM hosts		
Description:	Comment + patch from @volcane: anyway, attached a patch to gather-centos4-i386 that deals with Xen virtual machines a bit better, it failed to find any disks or ram (dmidecode doesnt work at all in a vm)
