

MachDB - Feature # 40: Timestamps in debug log file

Status:	Closed	Priority:	Normal
Author:	dflores	Category:	backend
Created:	05/12/2009	Assigned to:	nathan
Updated:	01/29/2010	Due date:	
Subject:	Timestamps in debug log file		
Description:	Currently, I have errors being written to the debug log file; however, it would be easier to read and follow the data if the event lines started with the timestamp, as opposed to ending with them.
